Visit the Villa Philmonte	When Waite Phillips gave Philmont Ranch to the Boy Scouts of America in 1941, he included in the gift his palatial ranch, the Villa Philmonte. Philmont maintains and preserves the "Big House" as a memorial to Phillips and his generosity to the Boy Scouts. It is listed on the National Register of Historic Places. Tours of the Villa may be scheduled at the Philmont Museum.
Western Lore	Philmont is an operating western cattle ranch. Cowboys still watch over cattle on horseback and drive them from their winter pasture on the plains to high mountain meadows for summer grazing. While you hike the trails, look for the white-face Hereford cattle. Though not wild, they are best observed from a distance. A cow with a calf may become dangerous if she feels her calf is threatened. To chase or attempt to rope these animals is foolish and can result in serious injury. Watch and photograph them if you wish. An organized western lore program is offered at Beaubien, Ponil and Clark's Fork. Horse riding, campfires, and branding are all part of the western lore program. Philmont cowboys will tell you about New Mexico's cattle industry. Using authentic western lariats, they will show you how to rope. The cowboy's garb and equipment will be named and their uses explained. After a hearty chuck wagon dinner which you help prepare, you'll gather around a campfire under the western sky for an evening of songs, guitar playing, and stories of the Old West at Beaubien or Clark's Fork.
Wilderness First Aid	Learn how to deliver First Aid in a wilderness setting where you are the first responder and professional medical assistance is potentially hours away.
Woodbadge Museum	Philmont was the site of the second Woodbadge course in the US. Zastrow was the site of some of these early courses before it was established as a Staff Camp. The Axe and Log sundial, a gift of the scouting movement in the UK, was originally installed at the Schiff Scout reservation before being moved to Philmont.
